11 (e) A reference in 50 IAC 5.2 to a governmental entity that has

14 SECTION 3. IC 6-1.1-10-29, AS AMENDED BY P.L. 192-2002(ss),
15 SECTION 30, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
16 JULY 1, 2004]: Sec. 29. (a) As used in this section, "manufacturer" or
17 "processor" means a person that performs an operation or continuous
18 series of operations on raw materials, goods, or other personal property
19 to alter the raw materials, goods, or other personal property into a new
20 or changed state or form. The operation may be performed by hand,
21 machinery, or a chemical process directed or controlled by an
22 individual. The terms include a person that:

23 (1) dries or prepares grain for storage or delivery; or

24 (2) publishes books or other printed materials.

25 (b) Personal property owned by a manufacturer or processor is
26 exempt from property taxation if the owner is able to show by adequate
27 records that the property

28 ~~(1)~~ is stored and remains in its original package in an in-state
29 warehouse for the purpose of shipment, without further
30 processing, to an out-of-state destination

31 ~~(2) is inventory (as defined in IC 6-1.1-3-11) that will be used in~~
32 ~~an operation or a continuous series of operations to alter the~~
33 ~~personal property into a new or changed state or form and the~~
34 ~~resulting personal property will be shipped; or will be incorporated~~
35 ~~into personal property that will be shipped; to an out-of-state~~
36 ~~destination; or~~

37 ~~(3)~~ consists of books or other printed materials that are stored at
38 an in-state commercial printer's facility for the purpose of
39 shipment, without further processing, to an out-of-state
40 destination.

41 (c) Personal property that is manufactured in Indiana and that would
42 be exempt under subsection ~~(b)(1)~~, (b), except that it is not stored in its
43 original package, is exempt from property taxation if the owner can
44 establish in accordance with exempt inventory procedures, regulations,
45 and rules of the department of local government finance that:

(1) the property is ready for shipment without additional manufacturing or processing, except for packaging; and

(2) either:

(A) the property will be damaged or have its value impaired if it is stored in its original package; or

(B) the final packaging of finished inventory items is not practical until receipt of a final customer order because fulfillment of the customer order requires the accumulation of a number of distinct finished inventory items into a single shipping package.

(d) A manufacturer or processor that possesses personal property owned by another person may claim an exemption under subsection (b) or (c) if:

(1) the manufacturer or processor includes the property on the manufacturer's or processor's personal property tax return; and

(2) the manufacturer or processor is able to show that the owner of the personal property would otherwise have qualified for an exemption under subsection (b)(1), (b)(3), or (c).

SECTION 4. IC 6-1.1-10-29.5, AS AMENDED BY P.L.192-2002(ss), SECTION 31, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 29.5. (a) For purposes of ~~determining under~~ sections 29, 29.3, 30(a), and 30(c) of this chapter, ~~the amount and type of personal property that is shipped or transshipped to an out-of-state destination;~~ the term "adequate record" includes a designation on a bill of lading, freight bill, delivery receipt, manifest, packing slip, or an equivalent document, or a final entry in the records of the taxpayer indicating that property is held for shipment to an out-of-state destination. Such a designation for out-of-state shipment is sufficient for purposes of section 29, 29.3, 30(a), or 30(c) of this chapter even though the specific out-of-state destination of the property is not included in the designation and even though the destination of the property is unknown on the assessment date.

(b) For the purpose of substantiating the amount of ~~his a taxpayer's~~ personal property which is exempt from property taxation under section 29, 29.3, 30(a), or 30(c) of this chapter, ~~on the basis that it is being shipped or transshipped to an out-of-state destination;~~ ~~a the~~ taxpayer shall maintain records that reflect the specific type and amount of personal property claimed to be exempt so that the taxpayer's taxable personal property may be distinguished from ~~his the taxpayer's~~ exempt personal property. In lieu of specific identification, ~~of the taxpayer's personal property that is shipped or transshipped to an out-of-state destination;~~ the taxpayer may elect to establish the value of ~~his the~~ taxpayer's exempt personal property by utilizing an allocation method whereby the exempt personal property is determined by dividing:

(1) the value of the taxpayer's property shipped from the in-state

warehouse to out-of-state destinations during the twelve (12) month period ending with the assessment date; by

(2) the total value of all shipments of the taxpayer's property from the in-state warehouse during the same period of time;

and applying this ratio to the taxpayer's total inventory of personal property that has been placed in the in-state warehouse, that is in the in-state warehouse as of the assessment date, and that meets the other requirements for an exemption under section 29, 29.3, 30(a), or 30(c) of this chapter. If the taxpayer uses the allocation method, ~~he the~~ **taxpayer** shall keep records which adequately establish the validity of the allocation.

(c) If the taxpayer elects to keep a specific inventory, ~~under subsection (b); he the taxpayer~~ shall maintain additional records which reflect:

(1) an accurate inventory of all personal property stored in an in-state warehouse; i.e., both inventory destined for points outside the state and inventory destined for points within the state;

(2) the date of deposit of the inventory in the in-state warehouse;

(3) the date of withdrawal of the inventory from the in-state warehouse; and

(4) the point of ultimate destination of the shipments, if known.

(d) For the purposes of this section, the term "warehouse" includes a commercial printer's facility.

~~(e) A taxpayer may use an allocation percentage to claim an exemption under section 29(b)(2) of this chapter for a part of the person's personal property if the taxpayer's business records substantiate that the allocation percentage accurately reflects the part of the personal property that will:~~

~~(1) be used in an operation or a continuous series of operations to alter the personal property into a new or changed state or form; and~~

~~(2) in its new or changed state or form be:~~

~~(A) shipped; or~~

~~(B) incorporated into personal property that will be shipped; to an out-of-state destination.~~

~~The percentage may include personal property that is sold to another processor or manufacturer if the personal property is incorporated into the personal property of the buyer and that personal property is shipped out of state.~~

SECTION 5. IC 6-1.1-12-41, AS ADDED BY P.L.192-2002(ss), SECTION 33, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 41. (a) This section does not apply to assessment years beginning after December 31, 2005.

(b) As used in this section, "assessed value of inventory" means the assessed value determined after the application of any deductions or

adjustments that apply by statute or rule to the assessment of inventory, other than the deduction allowed under subsection (f).

(c) As used in this section, "county income tax council" means a council established by IC 6-3.5-6-2.

(d) As used in this section, "fiscal body" has the meaning set forth in IC 36-1-2-6.

(e) As used in this section, "inventory" has the meaning set forth in IC 6-1.1-3-11.

(f) An ordinance may be adopted in a county to provide that a deduction applies to the assessed value of inventory located in the county. The deduction is equal to one hundred percent (100%) of the assessed value of inventory located in the county for the appropriate year of assessment. An ordinance adopted under this subsection must be adopted before January 1 of a calendar year beginning after December 31, 2002. An ordinance adopted under this section in a particular year applies to each subsequent assessment year ending before January 1, 2006. An ordinance adopted under this section may be consolidated with an ordinance adopted under IC 6-3.5-7-25 **(before its repeal)** or IC 6-3.5-7-26 **(before its repeal)**. The consolidation of an ordinance adopted under this section with an ordinance adopted under IC 6-3.5-7-26 **(before its repeal)** does not cause the ordinance adopted under IC 6-3.5-7-26 **(before its repeal)** to expire after December 31, 2005.

(g) An ordinance may not be adopted under subsection (f) after March 30, 2004. However, an ordinance adopted under this section may be amended after March 30, 2004, to consolidate an ordinance adopted under IC 6-3.5-7-26 **(before its repeal)**.

(h) The entity that may adopt the ordinance permitted under subsection (f) is:

(1) the county income tax council if the county option income tax is in effect on January 1 of the year in which an ordinance under this section is adopted;

(2) the county fiscal body if the county adjusted gross income tax is in effect on January 1 of the year in which an ordinance under this section is adopted; or

(3) the county income tax council or the county fiscal body, whichever acts first, for a county not covered by subdivision (1) or (2).

To adopt an ordinance under subsection (f), a county income tax council shall use the procedures set forth in IC 6-3.5-6 concerning the imposition of the county option income tax. The entity that adopts the ordinance shall provide a certified copy of the ordinance to the department of local government finance before February 1.

(i) A taxpayer is not required to file an application to qualify for the deduction permitted under subsection (f).

(j) The department of local government finance shall incorporate the deduction established in this section in the personal property return form to be used each year for filing under IC 6-1.1-3-7 or IC 6-1.1-3-7.5 to permit the taxpayer to enter the deduction on the form. If a taxpayer fails to enter the deduction on the form, the township assessor shall:

- (1) determine the amount of the deduction; and
- (2) within the period established in IC 6-1.1-16-1, issue a notice of assessment to the taxpayer that reflects the application of the deduction to the inventory assessment.

(k) The deduction established in this section must be applied to any inventory assessment made by:

- (1) an assessing official;
- (2) a county property tax board of appeals; or
- (3) the department of local government finance."

Page 2, between lines 11 and 12, begin a new paragraph and insert:
 "SECTION 7. IC 6-1.1-18.5-9.9, AS ADDED BY P.L.272-2003, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 9.9. (a) The department of local government finance shall adjust the maximum property tax rate levied under the statutes listed in section 9.8(a) of this chapter, IC 6-1.1-19-10, or IC 21-2-15-11 in each county for property taxes first due and payable in:

- (1) 2004;
- (2) the year the county first applies the deduction under IC 6-1.1-12-41 **(before its repeal)** if the county first applies that deduction for property taxes first due and payable in 2005 or 2006; and
- (3) 2007 if the county does not apply the deduction under IC 6-1.1-12-41 **(before its repeal)** for any year.

(b) If the county does not apply the deduction under IC 6-1.1-12-41 **(before its repeal)** for property taxes first due and payable in 2004, the department shall compute the adjustment under subsection (a)(1) to allow a levy for the fund for which the property tax rate is levied that equals the levy that would have applied for the fund if exemptions under IC 6-1.1-10-29(b)(2) did not apply for the 2003 assessment date.

(c) If the county applies the deduction under IC 6-1.1-12-41 **(before its repeal)** for property taxes first due and payable in 2004, the department shall compute the adjustment under subsection (a)(1) to allow a levy for the fund for which the property tax rate is levied that equals the levy that would have applied for the fund if:

- (1) exemptions under IC 6-1.1-10-29(b)(2); and
- (2) deductions under IC 6-1.1-12-41 **(before its repeal)**;

did not apply for the 2003 assessment date.

(d) The department shall compute the adjustment under subsection

(a)(2) to allow a levy for the fund for which the property tax rate is levied that equals the levy that would have applied for the fund if deductions under IC 6-1.1-12-41 **(before its repeal)** did not apply for the assessment date of the year that immediately precedes the year for which the adjustment is made.

(e) The department shall compute the adjustment under subsection (a)(3) to allow a levy for the fund for which the property tax rate is levied that equals the levy that would have applied for the fund if deductions under IC 6-1.1-12-42 **(before its repeal)** did not apply for the 2006 assessment date.

SECTION 8. IC 6-1.1-18.5-13, AS AMENDED BY P.L.1-2004, SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 13. With respect to an appeal filed under section 12 of this chapter, the local government tax control board may recommend that a civil taxing unit receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the local government tax control board the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons.

(2) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's share of the costs of operating a court for the first full calendar year in which it is in existence.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and three-hundredths (1.03):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the

nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 **(before its repeal)** or IC 6-1.1-12-42 **(before its repeal)** in the particular calendar year, divided by the sum of the civil taxing unit's total assessed value of all taxable property and the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 **(before its repeal)** or IC 6-1.1-12-42 **(before its repeal)** in the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 **(before its repeal)** or IC 6-1.1-12-42 **(before its repeal)** in the particular calendar year, divided by the sum of the total assessed value of all taxable property in all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 **(before its repeal)** or IC 6-1.1-12-42 **(before its repeal)** in the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this chapter.

(4) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(5) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(6) Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the ~~township's poor relief~~ **township assistance** ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing ~~poor relief~~ **township assistance** under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the ~~township's poor relief~~ **township assistance** ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(7) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(8) Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);

(ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);

(iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);

(iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or

(v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300); and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$0.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem

property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(9) Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that is subject to an order that:

- (i) was issued by a federal district court; and
- (ii) has not been terminated;

(C) that operates a county jail that fails to meet:

- (i) American Correctional Association Jail Construction Standards; and
- (ii) Indiana jail operation standards adopted by the department of correction; or

(D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted

the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(11) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(12) Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under this section to reallocate property tax replacement credits under IC 6-3.5-1.1 in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned under this section to have reallocated in 2001 for a purpose other than property tax relief.

SECTION 9. IC 6-1.1-21-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 1. There is hereby established a special fund to be known as the "property tax replacement fund".

Except as provided in IC 6-2.3-8-1, all taxes or other ~~moneys~~ money deposited in the property tax replacement fund, as provided by law, shall be held and distributed in accordance with the provisions of this chapter and all funds in the property tax replacement fund,

1 remaining after any distribution provided for in this chapter, shall not
 2 revert to the general fund of the state but shall constitute a revolving
 3 fund for subsequent distribution for the purposes provided for in this
 4 chapter. Any amount earned on moneys deposited in the property tax
 5 replacement fund shall remain in and become part of the property tax
 6 replacement fund.

7 SECTION 10. IC 6-1.1-21-2, AS AMENDED BY P.L.1-2004,
 8 SECTION 33, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 9 JULY 1, 2004]: Sec. 2. As used in this chapter:

10 (a) "Taxpayer" means a person who is liable for taxes on property
 11 assessed under this article.

12 (b) "Taxes" means property taxes payable in respect to property
 13 assessed under this article. The term does not include special
 14 assessments, penalties, or interest, but does include any special charges
 15 which a county treasurer combines with all other taxes in the

The ordinance may provide for an additional rate under section 5(p) of this chapter. An ordinance adopted under this subsection:

(f) If the imposing entity specifies the application of uniform increased homestead credits under subsection (c)(3)(A), the county auditor shall, for each calendar year in which an increased homestead credit percentage is authorized under this section, determine:

- (1) the amount of the certified distribution that is available to provide an increased homestead credit percentage for the year;
- (2) the amount of uniformly applied homestead credits for the year in the county that equals the amount determined under subdivision (1); and
- (3) the increased percentage of homestead credit that equates to the amount of homestead credits determined under subdivision (2).

(g) The increased percentage of homestead credit determined by the county auditor under subsection (f) applies uniformly in the county in the calendar year for which the increased percentage is determined.

(h) If the imposing entity specifies the application of allocated increased homestead credits under subsection (c)(3)(B), the county auditor shall, for each calendar year in which an increased homestead credit is authorized under this section, determine:

(1) the amount of the certified distribution that is available to provide an increased homestead credit for the year; and

(i) The county auditor shall retain from the payments of the county's certified distribution an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. The money shall be distributed to the civil taxing units and school corporations of the county:

(1) as if the money were from property tax collections; and

(2) in such a manner that no civil taxing unit or school corporation will suffer a net revenue loss because of the allowance of an increased homestead credit.

28 credits wherever applicable, as those set out for those companies
29 paying only a tax on premiums as set out in this section.

30 (i) Any insurance company failing or refusing, for more than thirty
